

REMARKS

This AMENDMENT is presented to correct a PROPOSED AMENDMENT which was presented in connection with GUGUMUS RESPONSIVE MOTION 2 filed in Patent Interference No. 105,262.

In the PROPOSED AMENDMENT, the formula for component a) of claim 28 contained clerical errors in that the four methyl groups attached to the piperidine ring were shown as "CH₂" rather than the correct "CH₃".

In its REDECLARATION - Bd. R. 203(c) (Paper No. 57) issued July 27, 2006, the Board ordered the party GUGUMUS to submit this corrected claim 28.

Please charge any fee necessary for this Amendment to Deposit Account No. 23-0975.

Respectfully submitted,

Francois GUGUMUS
